Financial Assistance Policy Appendix A

Basis for Calculating Amounts Charged to Patients

Riverside Rehabilitation Hospital utilizes the “look-back” method to determine the “amounts generally billed” (AGB) to individuals who have insurance covering other Medically Necessary Care. The AGB percentage applicable as of 4/1/2018 at our facility is 62%.

The amount was calculated using all claims allowed by Medicare (Traditional) having discharge dates from July 1, 2017 to March 31, 2018. Total expected payment from allowed claims was divided by total billed charges for such claims.
